1/ Figures for components other than butterfat are available only for those orders with the component pricing system for paying producers.

Figures for Somatic Cell Count are available only for those orders which adjust producer payments for this item.

2/ Handlers in these marketing areas elected not to pool milk in 2003 due to disadvantageous class and uniform price relationships.

3/ Handlers in these marketing areas elected not to pool milk in 2004 due to disadvantageous class and uniform price relationships.

4/ Effective April 1, 2004, the Western Federal milk order was terminated.

5/ May not add due to rounding. Figures for Component Test and Somatic Cell Count are the weighted average of the individual market figures.

The weighting factors are the applicable pounds in total producer milk receipts. The changes from the previous year have not been adjusted for the termination of the Western Federal milk order; see 4/.
